### **Post-Traumatic Stress Disorder (PTSD) for First Responders**

Date: May 26, 2021

Pursuant to House Bill 3107, effective July 1, 2021, claims must be properly coded to identify Post Traumatic Stress Disorder (PTSD) for First Responders (Volunteer Fire Department and Emergency Medical Services). There is not a code change in our IG requirements. The data field combination that must be utilized to report claims of this type are:

Type of Loss Code: **2 - Occupational Disease**  
Nature of Injury Code: **77 - Mental Stress**  
Cause of Injury Code: **90 - Other Than Physical Cause of Injury**

Please direct any questions related to reporting PTSD claims, or any other EDI issue, to [OICWVCustomerCare@wv.gov](mailto:OICWVCustomerCare@wv.gov)
