

West Virginia Offices of The Insurance Commissioner (WVOIC) Announcement

WVOIC FROI/SROI Update for DN0040 Date Employer had Knowledge of the Injury Requirement

Date: February 12, 2019

WVOIC will be implementing the following requirement change for DN0040 Date Employer had Knowledge of the Injury for FROI MTC 00, AU and UI effective 8/12/2019.

OLD REQUIREMENT:

DN0040 - Date Employer Had Knowledge of the Injury

OLD: Business Condition: Required when the responsible party is an Insured.

OLD: Technical Condition: If DN0184 Insured Type Code = I-Insured then mandatory.

DN0184 Insured Type Code = I-Insured and DN0198 (Full Denial Reason Code) = 3E (No Policy in Effect on Date of Accident) then DN0167 (Employer Mailing Postal Code) is not required.

NEW REQUIREMENT EFFECTIVE 8/12/2019:

DN0040 - Date Employer Had Knowledge of the Injury

NEW: Business Condition: None

NEW: Technical Condition:

Required unless DN0184 Insured Type Code = I-Insured and DN0198 (Full Denial Reason Code) = 3E (No Policy in Effect on Date of Accident).

This will be published and implemented in the next version of the WVOIC Requirement Tables for V19.0, which will be posted in the WVOIC website at a later date which will become effective on 8/12/2019. In advance, the WVOIC would like to make you aware of the above change.
